

Draw Your Corner

Teaching Artist: Stephanie Eche

Goal: Use Drawing to Document Places in Time

Materials:
Paper or Sketchbook
Black pen/ pencil/ marker
2 colored pens/pencils/ markers

Guiding Question: How do places change over time?

Steps:

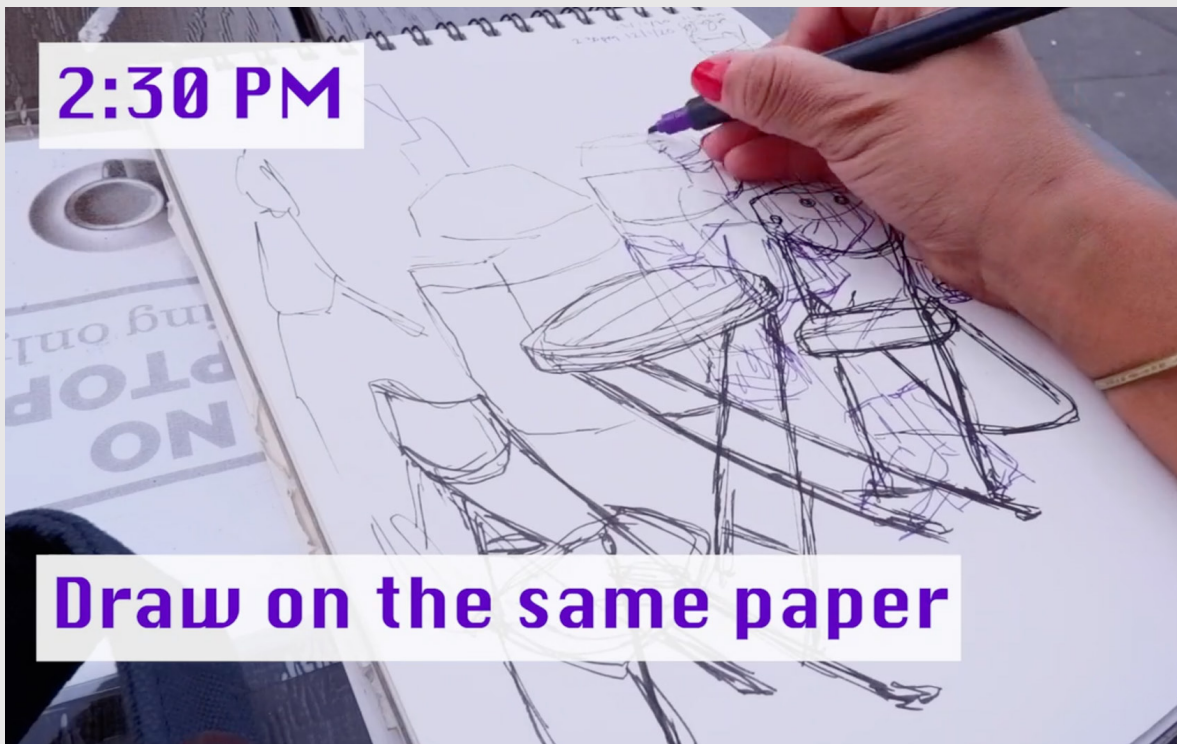

1. Choose a corner to observe near your home. Set up and set your timer for 5 minutes.

2. Use a black pen/ pencil/ marker to draw what you see. Write down the date and time.

3. After a couple of hours, go back to the same spot. Write down the date and time with a different colored pen/ pencil/ marker. Set your timer for 5 minutes and draw what you see with the new color.

4. After a few more hours, go back to the same spot. Write down the date and time with a different colored pen/ pencil/ marker. Set your timer for 5 minutes. Draw what you see.

Reflect: What did you learn about your corner and how it changes over time?
